

REMARKS:

The Notice of Non-Responsive Amendment stated that the amendment document filed on 17 December 2008 was not fully responsive to the prior Office Action because Page 10 of the response appeared to be incomplete. The undersigned viewed the Patent Application Information Retrieval (PAIR) which revealed that Page 10 was apparently received incompletely due to an error in the facsimile transmission. The Applicants have attached a clear and complete copy of the previously submitted Amendment.

Therefore, Applicants respectfully request consideration of the Amendment submitted on 17 December 2008 and the Supplemental Amendment submitted on 6 January 2009. If there are any questions in connection with this matter, it is respectfully requested that the undersigned be telephoned at the below listed number.

If there are any problems with the payment of fees, please charge any underpayments and credit any overpayments to Deposit Account No. 50-1147.

Respectfully submitted,
